

Laurel Run Swimming Association is a non-profit pool that was founded over 60 years ago to provide a great place to relax and enjoy the summer in the sun for the families of Muhlenberg Township. Our beautiful pool is currently the only pool in the township and large enough for swimmers of all ages and includes a designated shallow area for beginning swimmers as well as a separate pool for small children to splash and play. We also offer aquatic exercise classes, swim lessons, and family nights throughout the summer for our township's families. The organization is funded through membership fees and fundraisers, and the sponsorship of signs located around the pool complex. The following are the Laurel Run sign sponsorship programs available for the pool that your company can participate in.
